

736.51.160 10 mbar 2nd scale kPa 2 x 1/2 NPT male with alarm-contact

Differential pressure gauge with capsule

Item number:	84252104
Quantity:	1 pcs.
Overview:	<p>736.51.160 10 mbar 2nd scale kPa 2 x 1/2 NPT male with alarm-contact</p> <p>Connector location: lower mount</p> <p>class 1.6</p> <p>Pressure Gauge Standard: International (standard Europe)</p> <p>2nd scale red</p> <p>*WIKA* with Serial number</p> <p>with QR Code</p> <p>Contact: 821.1</p>
Details:	<p>Differential pressure gauge with capsule</p> <p>process industry series</p> <p>Specifications according to data sheet: PM 07.08</p> <p>Nominal size: 160 mm</p> <p>Unit of outer Scale: mbar</p> <p>Scale range: 0...10 mbar</p> <p>2nd Scale or Special Scale: 2nd scale kPa</p> <p>Process connection: 2 x 1/2 NPT male</p> <p>Connector location: lower mount</p> <p>Overpressure safety: high (+) side 200 mbar</p> <p>Pressure Gauge Standard: International (standard Europe)</p> <p>color for 2.scale (inside): red RAL 3020</p> <p>Manufacturer logo: *WIKA*</p> <p>Serial number: with Serial number</p> <p>QR code with extended serial number on dial</p> <p>with integrated alarm contact,</p> <p>magnetic snap action series 821</p> <p>Specifications according to data sheet: AC 08.01</p> <p>first switch operation: makes (1)</p> <p>Contact material: silver-nickel, gold plated</p> <p>Electrical connection: plug sidewise</p>
